Wrap-up; Terms and definitions from Course 8, Module 5

You've done a great job completing this section of the course.
Let's take a moment to review what we've covered.
We started by discussing how to find and apply for jobs in the security field.
Then, we explored how to create your resume.
Next, we shared some strategies to develop rapport with interviewers.
We also covered how to use the STAR Method to answer open-ended interview questions thoughtfully.
We finished by discussing how to develop an elevator pitch.
Hopefully, this has helped you feel confident as you begin to search and apply for jobs in the security field.
Good luck!

Glossary terms from module 5

Rapport: A friendly relationship in which the people involved understand each other’s ideas and communicate well with each other

STAR method: An interview technique used to answer behavioral and situational questions

Elevator pitch: A brief summary of your experience, skills, and background
