Are you NaruZKurai? (y/n)

If you aren't and you say yes, things will break.

So if you are you NaruZKurai, v1 will be installed and uses /home/kali as default user path

Please enter your answer: n

Cool, let's get started.

nzk-code3 copied successfully.

cp: cannot create regular file '/usr/local/bin/nzk-nature': Permission denied

Failed to copy nzk-nature. Ensure the file exists and try again.
